Dear Elisabeth,

Attached is an Excel spreadsheet listing drug cases for Suffolk County brought before January 2, 2009, that involve Marijuana for which you may have the drugs as part of your backlog. They are listed by court, name, and police report number. For some of them, we could not determine the police report number. I hope the various DCU's will be helpful in determining the lab number.

For some of the cases, we cannot determine if the amount seized was under an ounce. If you determine that the amount was over an ounce, please keep that submission for testing. Also, please note that there are two sheets (i.e. to tabs) in the Excel spreadsheet - one for open cases and one for disposed.

If you need anything, please do not hesitate to let me know. I hope all is well, or at least as well as can be expected.

Thank you for your time and assistance,

Christina
